Performance Bonuses

Kickstart your journey as a reseller with our 30-Day Transformation Challenge! In your first 30 days, earn a \$200 Performance Bonus for every 5 locations you sell, on top of your regular commissions. Bonuses will be paid on the 10th of the month for the Reviews products sold in the previous month.

Free Trials

Partners who are administrators can offer their clients free trials of the Reviews product using demo accounts at no charge. Our data suggests a 7-day trial duration effectively yields satisfactory outcomes for our clients. We recommend first trialing the core Reviews product and later upselling add-ons after they get results and see the value of the software.
